do so that makes economic sense and also sense in terms of serving the juveniles involved...

SENATOR CROSBY: One minute.

SENATOR WESELY: ...and the families involved. So again, I rise in opposition. I share some of the concerns that Senator Wehrbein had and Senator Chambers and I'm not saying kill the bill. I don't want to do that, but I do think that we ought to hold the bill until we can work on it further. Thank you.

SENATOR CROSBY: Thank you, Senator Wesely. There are no further lights. Senator Will. Mr. Speaker.

SPEAKER WITHEM: Yes, at the suggestion of Senator Will, we are at the 6:00 hour. He would just as soon hold this bill here so let's move on to Final Reading bills.

SENATOR CROSBY: Thank you, Mr. Speaker. We will go to Final Reading. All senators should take their seats for Final Reading. Mr. Clerk, you have items for the record?

CLERK: I do, Madam President. Senator Maurstad had an amendment to LB 150; Senator Tyson to LB 314A; Senator Peterson to LB 622. I have a veto override motion from Senator Coordsen and others with respect to LB 389; General Affairs confirmation report; LR 290 by Senator Janssen extending the congratulations of the Legislature to Ms. Becky Beachler; Enrollment and Review reports LB 137, LB 151, LB 197, LB 271, LB 271A, LB 278, LB 495, LB 590, LB 590A, LB 610, LB 610A, LB 851, LB 865, LB 865A, and LB 873, all those reported correctly engrossed. (See pages 2542-50 of the Legislative Journal.)

Madam President, with respect to LB 23, it is on Final Reading. However, Senator Chambers has a motion to return the bill for a specific amendment. I guess, Senator, I have a motion to return first of all, but you have a priority motion to bracket. Senator Chambers would move to bracket LB 23 until June 6.

SENATOR CROSBY: Senator Chambers, to open on your motion to bracket.
